Hi Paula-

I do own the Bend but it isn't real near the Animas River. I don't think any of it is between the lower county road and the river. Do you have a map that says different?

Larry – Attached is a letter requesting access to your property along the Animas River for water quality sampling and an access agreement. I know this request doesn't give you much time but we would appreciate a quick response. Please feel free to give me a call if you have any questions. Thank you.
